How does one become Catholic?

Many Catholics are born into Catholic families and gradually come to share in the full Sacramental life of the Church.

Others, previously baptized in other Christian Churches or never baptized, become Catholic through a process known as The Rite of Christian Initiation of Adults. Children over the age of seven participate in a modified process, The Rite of Christian Initiation of Children.

The Rites of Initiation of Adults and Children are the Catholic Church's way of initiating new members. We warmly welcome new members and attempt to provide an appropriate spiritual formation for each inquirer.
